

**Insurance Liability Agreement**

The purpose of this Agreement is to clarify the insurance liability situation on vehicle rental / hire / lease transactions between Cars on Demand Limited and .....hereafter referred to as the Customer.

All vehicle rental transactions between Cars on Demand Ltd and the Customer will be governed by terms agreed between both parties relating to rates and insurance cover on rented / hired / leased vehicles. These terms apply equally to credit billing agreements and direct payment agreements, and will include specific reference to insurance liability on rented / hired / leased vehicles.

Every rented / hired / leased vehicle supplied by Cars on Demand Ltd to the Customer must be protected by either:

- 1) Comprehensive or Third Party Insurance provided by either the Customer or the end user of the vehicle where the end user is not covered by the Customer's insurance policies.
- 2) The Customer or end user responsible for insurance agrees to indemnify Cars on Demand Ltd for all losses arising as a result of the vehicle suffering damage, no matter how the damage may be caused.
- 3) Where the Insurance on the vehicle is the responsibility of the end user, the Customer undertakes to ensure the end user has valid insurance and records the details of this insurance and make's those details available to Cars on Demand Ltd from time to time as required.
- 4) Where no insurance cover is provided by the Customer or end user, the Customer must request Insurance provision from Cars on Demand Ltd.
